

March 13, 2026

The Honorable Ron DeSantis  
Governor of the State of Florida  
Office of the Governor  
State Capitol  
Tallahassee, Florida 32399

Dear Governor DeSantis:

On behalf of the South Asian Bar Association of Florida (SABA Florida), we extend our warmest wishes to you, your family, and your staff for a joyful and meaningful Holi. Holi, widely known as the Festival of Colors, is a celebration of renewal, unity, and hope, and it holds deep cultural and spiritual significance for millions of people across Florida and around the world.

We are also pleased to share that SABA Florida will be hosting its Fourth Annual Holi & Spring Festival this Saturday, March 14, at Tradewinds Park in Broward County. This family-friendly event brings together members of the legal profession, judges, civic leaders, families, and community members from across South Florida to celebrate culture, service, and community connection.

Each year, this celebration reflects the values that strengthen our state—respect for inclusion, community engagement, and public service. The event provides an opportunity for professionals and families alike to come together in an inclusive setting that fosters understanding and civic participation while celebrating Florida's rich cultural fabric.

We appreciate your continued commitment to public service and to the people of Florida. Please accept our best wishes for a happy and prosperous Holi, and we hope this season brings peace, good health, and success to you and to our great state.

Respectfully,  
The South Asian Bar Association of Florida
